Officer Elections

Rick Schummer

It is time to re-elect our officers. As promised at the September meeting here is the process, the jobs, and responsibilities:

The nomination process is fairly simple. You can nominate yourself or have another person nominate you for one or more of the offices. All the offices (president, vice-president, secretary, and treasurer) are elected for a one year term starting in January and completing in December. Nominations are taken in October and just before the elections in November.

The elections are held at the regular meeting closest to November 1st, as stated in our constitution. This year the elections will be on November 1, 1994. The easy way to remember this is that we hold our elections on the same night as the local and national elections are held. Only members of the SHCC can vote. Ballots will be handed out at the sign-in table. The elections are held during the business portion of the meeting. The person with the majority of the vote in each office is the winner.

The jobs of each office are flexible. Some are defined, some change from office to office depending on the officers capabilities and availability.

In reality the president makes sure the meeting topics are set, the speakers are prepared, writes thank yous to presenters and door prize contributors, runs the regular club and officer meetings, publishes the minutes to the officer meetings, takes phone calls from potential members and sends information to them, audits the monthly treasurer report and membership databases, tracks door prizes, and handles most of the publicity issues for the club. The WYSIWYG column is optional, but a great forum to pass along information to the members. The president also makes sure that the different coordinators are appointed and do their jobs. The president enforces the constitution and Club's policies. The president also does whatever things cannot be done by anyone else. The big key to this job is delegation. The more the president delegates the less there is to do.

The Vice President has the catch all job. So far to date the vice-president has not had to

The President's Bits And Bytes

Rick Schummer

Wow, the newsletter has changed. You might be asking, did the postal service lose the other pages? No, Don and Rick are sort of trying out a new format. Do you like this or do you prefer the bigger, more info packed model?

Basically it boils down to this. Rick writes most of the newsletter, Don spends considerable time beyond his usual secretarial duties putting it together and mailing it out. Both of us are stretched and are trying to best optimize our time for the club. We can continue with this smaller format and save time or... someone (or more than one person) can audition to become the newsletter publisher. Submit your qualifications to Don or Rick. The basic requirements are *advanced* word processing or desktop publishing skills and access to a laser printer.

Door Prizes

SHCC offers a door prize(s) at regularly scheduled club meetings. At this meeting the following will be offered:

- (1) \$25.00 Gift Certificate from CompUSA
- (3) "The Official America Online for Windows Tour Guide" books from AOL
- (1) "Red Storm Rising" game from Computer City

Novice SIG

Moving forward into Windows using the book "A Quick Course in Windows" at a cost of \$15.00, order at meeting or send in check to PO box, class starts at the November meeting. October will be open Q&A

step in for the president, and there have not been any state funerals that they have had to attend. This is an important job. The person must be flexible and be prepared to run the regular and officer meetings if the president cannot attend. This officer usually picks up a project or two during the year to lift the burden from other officers.

The secretary maintains the membership database which is tracked in PC-File. They also puts together "New Member Packets" and gives them to newly joined members, and members who renew. These packets are already printed, some assembly required! They track "New Member Beast" forms to be given to members who referred a newly joined member to the SHCC. The secretary audits the treasurer report to make sure that the membership money collected matches the membership counts in the database, print the mailing labels for WYSIWYG mailing and several reports such as a membership list and attendance sheet. Copies are made for all officers as needed. The secretary makes sure that sign-in table materials needed at each regular meeting are there before the meeting, and before people

start showing up.

The treasurer maintains all the money taken in and paid out from the Club's checking account. The SHCC currently uses Quicken to track the funds and generate reports for the officers. The treasurer also audits the membership counts. The treasurer makes reports to the officers at the officers meeting and four times a year to the Club's membership. All the receipts are collected and maintained by the treasurer.

All the officers attend the officer meeting that takes place on the second Tuesday of the month. Starts at 7:30pm, time and date are flexible to liking of all officers.

I hope everyone considers this invitation, this call to service. It is some work, and it is a lot of fun. Normally it takes 3 to 5 hours a month (give or take a few hours) outside of the meetings. The president's job might take a little more, but remember that delegation can lower the burden. If you have any questions concerning the duties, feel free to give me a call.
