newsletter of the
**STERLING HEIGHTS
COMPUTER CLUB**
PO Box 385
Sterling Heights, MI 48311-0385

Volume 7 Number 9

NOVEMBER 1995

SIGS

MS-DOS: 7:30 PM - First Tuesday (except no meeting in July & August) at Carpathia Club (38000 Utrica Road)

Communications: 7:30 PM - Second Monday at Lamphere High School

Novice: 7:30 PM - Third Tuesday (except no meeting in July & August) at Oakbrook Elementary School

Power User: 7:30 PM - Forth Tuesday (except no meeting in July & August) at Mount Clemens General Hospital

(For questions, call an officer or send mail to SHCC PO Box)

This month SHCC Member and industry luminary Jerry Carson will defy the odds by taking apart a PC (486SX), describe the hardware, reassembling the machine, and see if it restarts. Come see what promises to be an exciting presentation.

OTHER COMPUTER CLUBS

SHCC has contacted six known computer clubs in the area with an offer of reciprocating admission to meetings. Three clubs have responded positively, one is considering the offer, and the other two have not answered so far. The results are listed below:

Apple P.I.E.

Time: 1st working Monday 7:00PM
 Place: Jefferson Middle School, 29700 Rockwood Street, St. Clair Shores
 Reciprocating: Yes

Cue 80

Time: 2nd Monday, 7:30PM
 Place: Intermediate School District Admin. Bldg; Range Road; Marysville (I-94 East to Exit #266; keep to right on exit ramp to Gratiot Avenue; 1/8 mile to stop light, Range Road; turn left; 1/2 mile to I.S.D.; left into complex, first building on right)
 Reciprocating: Yes

Detroit Computer Users Group

Time: 2nd Wednesday, 7:00PM
 Place: The church on Mound Road 1/4 mile south of St. Annes
 Reciprocating: No response

MI Computer Users Group

Time: 3rd Friday, 7:00PM
 Place: Eastpointe Community Center; 19200 Stephens Road; Eastpointe; (just east of Kelly Road); 751-3971
 Reciprocating: No

Sarnia Computer Users Group

Time: Last Wednesday, 7:30PM
 Place: St. Bartholomew Anglican Church; 718 Cathcart Blvd.; Sarnia; 519/542-3227
 Reciprocating: Yes

South Eastern Michigan Computer Organization (SEMCO)

Time: 2nd Sunday 1:00PM
 Place: O'Dowd Hall; Oakland University; 398-7560
 Reciprocating: Yes

President's Bits & Bytes

by Rick Schummer

Feedback time again! I am interested in your ideas. In the next several months we will be probing members for ideas on a variety of different topics. My personal number one feedback issue is what you are interested in see presented to the club.

Our regular club meetings are the biggest reason people are part of the SHCC, and scheduling different topics is the most difficult job the officers have. We try to provide a variety that will keep everyone interested. Have you ever tried to keep 100 computer users happy? Trust me it is a tough job and one me and the other officers have not taken lightly since the inception of the SHCC.

We have had some very interesting meetings in the last couple of years. For the benefit of those that have not been around here is a list:

- 1994
- Jan IBM's OS/2 v2.1
- Feb Instant Artist
- Mar Microsofts Home Series
- Apr Swap Shop / Computer

- History
- May CA-Simply Money
- Jun Remote software
- Sep Microsoft Access 2.0
- Oct Shareware Night
- Nov OLE 2.0 Demonstration
- Dec Internet online (almost)

- 1995
- Jan Windows 95
- Feb Tax Package
- Mar WinFax PRO 4.0
- Apr Novells Perfect Office
- May PrintShop Deluxe CD
- Jun Swap Shop / Encarta 95
- Sep IBM's OS/2 Warp Connect
- Oct Norton Utilities / Navigator 95
- Nov Take apart a 486 computer
- Dec Microsoft Publisher

I think variety has been exceptional. I also think there are many packages or topics we can cover. What is it that you are most interested in seeing? The task for the next couple of months is to think about it. We will be asking for ideas as we plan the early 1996 meetings. Here are some ideas to start from:

- Game Night (2 or 3 demos)
- Presentation Software (i.e.

- PowerPoint, FreeLance)
- DOS or Windows Comm Packages
- Windows 95 Applets
- Databases
- Word Processors
- Spreadsheets
- How can Wizards/Experts make my life easier?
- What are templates?

Take a look at the different software catalogs that are delivered to your home or business. (Just a hint, this is where I get most of my ideas). Write them down when you think of them (otherwise you might forget, this happens to me way to often). Bring your ideas to the next meeting, or mail them to our Post Office Box, or drop them to my email id. I will compile all the ideas and see what people are most interested in seeing. I will present the results at the December meeting.

The SHCC elections are this month. Don't forget that it is not a right to vote for SHCC offices, but a privilege of membership, therefore you must be a member to vote (and run as well). I have harped enough on this subject, but if you are interested in running for an office the "job descriptions" are later in another article in this fine publication. Hopefully the nominations will produce a few more candidates so we have a real election. So far the

only nominees are the existing officers. Nominations will be opened just before the election at this months meeting.

Unfortunately I will be absent from the November meeting. This is something that is really out of my hands since I will be in transit home from a conference I will be attending earlier in the day. This is only the second regular meeting I have missed in the history of the club. In a way it is amazing to me that I have not missed more meetings with my busy work and personal schedules. I really enjoy watching Jerry Carson rip apart PCs. The first time he did this for the club I took bets that it would not work when he put it together. Would not make this mistake again!

Anyways, please be kind to

Welcome New Members

Please welcome the following new member (s) of the SHCC:

Larry Hart
John Herberg
Jerome Schmidt

Between two services which don't offer direct connect:

If two services offer internet mail service, then mail can be sent between the two services using internet as a go between. For example, a CompuServe member can mail to an America Online member by using the internet address of the recipient. Example to Bob Click on America Online from Don VanSyckel on CompuServe:
internet:robertc204@aol.com

To mail in the opposite direction the America Online member would simply use the internet access method to mail to the CompuServe member's internet address.

If you are on the internet, CompuServe, America OnLine, Delphi, or Prodigy and would like your email address listed here, please send email to Rick Kucejko.

To e-mail information for the WYSIWYG over the Internet,

Magazine Reprints

SHCC has contacted several magazines requesting permission to reprint articles.

All of the responses fell into two categories: 1) Yes, if you contact us before using the article and obtain permission. 2) Yes, send us lots of money before using the article. SHCC will reprint articles from magazines which use the first policy. No articles will be reprinted from magazines which use the second policy.

OTHER USEFUL DATA BITS

Presenters Wanted

The officers are looking for a couple people to come forward and make presentations at our **February** and **April** meetings next year. This gives you plenty of time to prepare.

If there is some software you have been using and think others may be interested as well, or there is a computer topic you would like to present to other members, please call or email Rick Schummer. Making presentations is not that difficult. The hour goes by before you know it and there is always enough material to cover in a software package that the hour is easy to fill.

As always, if there is a topic you are interested in or a package you would like demonstrated, please see any of the officers. They are always interested in what the members would like to see. Keeping the members excited and interested in the presentations is probably the most difficult part running this group. And don't worry about

being volunteered to make the presentation (Rick might try, but never forces anyone to make presentations, although he has been persuasive in the

Door Prizes

SHCC offers door prizes at regularly scheduled club meetings. At this meeting the door prizes will be a Lyben T-Shirt from Lyben Computers, Innovations from CD Computer City, and a Mouse Pad (Source Unknown).

Last months door prizes were donated by Mt. Clemens General Hospital, Lyben Computers, and by SHCC members. The winners circle included:

- WordStar** Mt. Clemens GH
Guy Venier
- WordStar** Mt. Clemens GH
Jerry Greenough
- Mouse Pad** Virtual Image
Bill Field
- Lyben T-Shirt** Lyben
Rick Schummer
- Inside Netware**
Ralph Osinski

Election Announcement

by Rick Schummer

It is time to re-elect our officers. Here is the process, the jobs, and responsibilities:

The nomination process is fairly simple. You can nominate yourself or have another person nominate you for one or more of the offices. All the offices (president, vice-president, secretary, and treasurer) are elected for a one year term starting in January and completing in December. Nominations are taken in October and just before the elections in November. You must be a member to be nominated.

The elections are held at the regular meeting closest to November 1st, as stated in our constitution. This year the elections will be on November 7, 1995. The easy way to remember this is that we hold our elections on the same night as the local and national elections are held. Only members of the SHCC can vote. Ballots will be handed out at the sign-in door. The elections are held during the business portion of the meeting. The person with the majority of the vote in each office is the winner.

The jobs of each office are flexible. Some are defined, some change from office to office depending on the officers capabilities and availability.

In reality the president makes sure the meeting topics are set, the speakers are prepared, writes thank you notes to presenters and door prize contributors, runs the regular club and officer meetings, publishes the minutes to the officer meetings, takes phone calls from potential members and sends information to them, audits the monthly treasurer report and membership databases, tracks door prizes, and handles most of the publicity issues for the club. The WYSIWYG column is optional, but a great forum to pass along information to the members. The president also makes sure that the different coordinators are appointed and do their jobs. The president enforces the constitution and Club's policies. The president also does whatever things cannot be done by anyone else. The big key to this job is delegation. The more the president delegates the less there is to do.

MapLinx for Windows Version 3.0 is data mapping software that works with all popular databases, contact managers and spreadsheets and lets users easily:

-Choose a city and pinpoint their contacts within a 20-mile radius.

-Instantly pin down the distance between two locations.

-Perform "What if" analyses to weigh alternatives in business planning.

-Create dynamic presentations to show their contacts in a whole new way.

-Plan business travel with perfect efficiency.

-Locate area codes, cities, counties and ZIP codes instantly.

-Color-code data for analysis and planning.

Your Article

If you have had some experiences choosing a program to do a particular thing, have solved a hardware problem, or have experience with some software programs, consider sharing it with fellow club members. Write about it in the WYSIWYG. Call or E-

mail the editor at the addresses or numbers on page 2.

There is an opening for a contributing editor, or someone to contribute articles to the WYSIWYG on a regular basis. Please consider the opportunity if you have the desire to share your knowledge and information

Computer Uses

How have you used your computer to help you do something? How do you use your computer for your own enjoyment in your leisure time? Please consider sharing this with fellow club members in the WYSIWYG. In the last issue, we all read how Rick Schummer used his computer to help him in the selling of his house and during his move.

Also, if you find an interesting use for computers in your magazine reading or during your surfing expeditions on the net, please send a copy the WYSIWYG editor. This could make an interesting topic for the WYSIWYG over the next

mode for flying games - can be set with the simple flip of a switch.

MapLinx Corp.

The Vice President has the catch all job. So far to date the vice-president has not had to step in for the president, and there have not been any state funerals that they have had to attend. This is an important job. They person must be flexible and be prepared to run the regular and officer meetings if the president cannot attend. This officer usually picks up a project or two during the year to lift the burden from other officers.

The secretary maintains the membership database which is tracked in PC-File. They also puts together "New Member Packets" and gives them to newly joined members, and members who renew. These packets are already printed, some assembly required! They track "New Member Beast" forms to be given to members who referred a newly joined member to the SHCC. The secretary audits the treasurer report to make sure that the membership money collected matches the membership counts in the database, print the mailing labels for WYSIWYG mailing and several reports such as a membership list and attendance sheet. Copies are made for all officers as needed. The secretary makes sure that sign-in table

materials needed at each regular meeting are there before the meeting, and before people start showing up.

The treasurer maintains all the money taken in and paid out from the Club's checking account. The SHCC currently uses Quicken to track the funds and generate reports for the officers. The treasurer also audits the membership counts. The treasurer makes reports to the officers at the officers meeting and four times a year to the Club's membership. All the receipts are collected and maintained by the treasurer.

All the officers attend the officer meeting that takes place on the second Tuesday of the month. Starts at 7:30pm, time and date are flexible to liking of all officers.

I hope everyone considers this invitation, this call to service. It is some work, and it is a lot of fun. Normally it takes 3 to 5 hours a month (give or take a few hours) outside of the meetings. The president's job might take a little more, but

Adobe PageMaker 6.0 desktop publishing software for professionals for Apple

Macintosh/Power Macintosh and Microsoft Windows95 delivers more than 50 new features and enhancements.

S.R.P. \$895, upgrade price \$149.

Customers who purchase PageMaker 5.0 after June 17, 1995 in the United States or Canada are eligible to receive a free upgrade to version 6.0.

Adobe products expect to support the Windows 95 platform in two stages. In the first release, most Adobe products will be "Windows 95 compatible", running efficiently under the Windows 95 platform. In the second release, these same products will be certified by Microsoft as "Windows 95 logo compliant" by optimally exploiting the Windows 95 platform functionality and bearing the Windows95 logo. See Jim Waldrop for the time schedule for Windows compliance on Adobe's products.

The new Adobe Printer Driver version 3.1 designed for use with PostScript printers is called Adobe PS 3.

Member Classified Ads

This is the club policy on ads in the WYSIWYG:

There is no charge for member want ads for selling things to other members.

Want ads are available to SHCC members and shall be limited to computer related items for non-commercial purposes. Any want ad shall be a maximum of twelve newsletter lines of text. The number of want ads a member can have is on a space available basis.

Commercial ads can be accepted. Rates are \$10 for half a newsletter page add \$15 for a full newsletter page.

Advertiser supplied materials can be accepted. The rate for this will be decided on a case by case basis.

Please send all classifieds to the WYSIWYG Publisher at the club's PO Box, or to his e-mail address posted on page 2 of the newsletter.

SIG MEETINGS

Novice SIG

The next meeting is on November 21, 1995.

The Novice SIG has finished the Microsoft Windows instruction. The October meeting covered **Chapter 6: The System Configuration Tools**, and was presented by **Ralph Osinski**.

Thanks to all the members who presented the Windows topics to the Novice SIG. This short list includes **Mike Greenen, Tom Grish, Craig Hibbard, Ralph Osinski, and Rick Schummer**.

The Novice SIG members will need to decide what the next step or topic for this group will be. They want to discuss this during the next regular meeting.

For more information about the SIG, please call Ellen Geering (her number is on page 2).

The Novice SIG meets on the third Tuesday of the month at 7:30PM at Oakbrook Elementary in the Resource Room. Oakbrook is located on the northeast corner of Metro Parkway and Dodge Park

Road. Heritage Junior High is on the corner and Oakbrook is behind it.

From **Dodge Park Road**, turn onto Danforth (east), Turn right onto Greenway. Greenway takes a bend to the left. Turn tight onto Ashby. Ashby ends in Oakbrook's parking lot.

Metro Parkway East, go north on Dodge Park Road and follow the instructions above.

Metro Parkway West, go north on Barrington, just after you pass the Edison Corridor between Schoenher and Dodge Park Roads. Turn left onto

Power User SIG

The next meeting of the Power User SIG is November 28, 1995.

Next month's topic was not decided before press time. For more information about the SIG, please call Ed Lebioda (his number is on page 2).

Meetings are held in the Meeting Rooms at Mt. Clemens General Hospital. These meetings are the forth Tuesday at 7:30PM.

Mt. Clemens General Hospital is at 1000 Harrington Blvd., Mount Clemens, MI. Go on 16 Mile Road to Grosebeck Road. Then:

- Turn North on Grosebeck Road
- Go about one mile to Harrington Blvd. (this is at a traffic light)
- Turn right (East) on Harrington
- Go East about two city blocks
- You should see the hospital
- Park in lot west of hospital
- Go in the main entrance
- Take the elevator to the 6th floor
- Follow the signs to the room

Communications SIG

The next meeting will be Monday, November 13.

At the last SIG meeting, the group went on line. All present got to experience a little of the World Wide Web.

The SIG meetings are held on the second Monday of each month at 7:30 pm at Lamphere High School. It is located on 13 Mile Road between John R and Rochester Roads. Room B-5 is the planned room.

The basic purpose of the SIG is to help educate members about how they can make use of their computer's ability to communicate with other

computers. If you have any questions you can reach Craig Hibbard at 810-795-3928 or (preferably)

SHCC Emergency Shutdown

The Sterling Heights Computer Club will utilize radio station WWJ - 950 on the AM dial to notify members that a meeting is canceled because of bad weather or for other reasons. The announcement will happen along with the school closings. Please remember to listen to the radio when there

Featured Diskette

The club has a large library of shareware programs available to members. Programs on almost any topics are available from the club at a nominal fee.

If anyone needs a shareware program or wants to learn more about this resource, contact: Tom Grish (see
