- Macomb County Prosecutor's Office
- Michigan Electronic Library
- SHCC club members

Introduction to the Sterling Heights Computer Club

Don VanSyckel
President

Thank you for your interest in the Sterling Heights Computer Club (SHCC).

We meet on the first Tuesday of each month at the Sterling Heights Community Center, 40250 Dodge Park Road, Sterling Heights, Michigan. The Community Center is on the south side of Utica Road, across Dodge Park Road from the Public Library and Police Dept.

We do not meet in the months of July and August. Meeting dates are delayed a week for National Holidays. Meetings start at 10:00 AM (doors open at 9:30AM).

Each meeting includes a presentation and engaging discussions on topics that members have questions and comments on. Door prizes are offered at the meetings.

Our club had its start in November 1988 when twelve people with a thirst for computer knowledge got together at the local public library.

The goal of our club is "to promote an understanding and knowledge of home computers and software for the mutual benefit of the membership".

The annual membership dues are only $35. This includes a monthly digital WYSIWYG newsletter, and the ten monthly meetings. You also have access to the always helpful SHCC Resource members.

For more information, visit our web site (on the "Information" page). If you need more information after viewing our web site, email us at:

info@SterlingHeightsComputerClub.org

Or call 586-212-2848.

We hope that you come by and join in on the excitement of the SHCC. You can attend your first two consecutive meetings without joining the club to see if SHCC is right for you.
